PRE-COLLEGE ORIENTATION PROGRAM SCHEDULED AT TSUD

Troy State University at Dothan will host its Pre-College Orientation Program for the 1991 Fall Quarter on Tuesday, September 3, 1991. To meet the needs of its student population, TSUD will schedule three sessions during the day and evening. The times for the three sessions are 8:00 a.m. - 12:00 noon, 1:00 - 5:00 p.m., and 6:00 - 8:00 p.m. Pre-college orientation is open to all potential TSUD applicants.

Academic advisement and registration will be available during the orientation program. Orientation sessions will include various faculty and staff members discussing the topics of clubs/organizations, student services, job placement, career information, instructional support, library facilities and services, financial aid, Weekend University, telecourses, and continuing education. Academic deans will have the opportunity to speak with students in smaller groups concerning aspects from each school/college.

Mrs. Pamela Williamson, Director of Counseling Services, said, "Students who attend orientation are always more successful in completing college coursework. They are aware of all the support services available on campus. These same students have made an effort to meet with an academic advisor and plan their program requirements."

FALL INTERIM SESSION: AN AWARENESS OF NEED

Summer quarter has been completed, graduates have marched in their commencement exercise, and faculty and students are taking a break before fall quarter begins in September. For Troy State University at Dothan, all is true except the last. Without a break between quarters, TSUD is in full swing with its Fall Interim Session of classes.

The interim session was initiated to meet the needs of TSUD's non-traditional students, students 25 years and older with family and occupational responsibilities. Well-structured, continued contact with students is necessary when dealing with non-traditional students. "The interim session provides our students an opportunity to complete programs of study in a reasonable amount of time while they continue to be involved in family and vocational responsibilities," stated Dr. Thomas Harrison. "We hope students will see the advantage in continuous enrollment so their education may provide early benefits to them," added Harrison.

The interim schedule includes a range of classes from each school/college at both the undergraduate and graduate levels. Classes are offered during the morning, afternoon, and evening at the Dothan campus and at the Fort Rucker branch campus.

Dr. Debbie Goodman, Assistant to the Vice President for Academic Affairs for Special Programs, said, "We are pleased that we're able to schedule the interim session to meet

an obvious need for our students and to provide an opportunity for students to benefit from an accelerated pace toward degree completion."

Bethany Welch, a junior majoring in Early Childhood Education, said that the interim session has enabled her to complete her general studies curriculum before enrolling for the regular fall quarter. "I've been able to use my time more productively and will now have the chance to complete my degree earlier. I really enjoy being able to concentrate on one class at a time," Bethany stated.

Following the 1991 Fall Quarter, TSUD will offer a Winter Interim Session, which is scheduled from December 2 - 18. Courses at the undergraduate and graduate levels from the College of Arts and Sciences, School of Business, and the School of Education will be offered during the Winter Interim Session. Classes will be offered during the day and evening at the Dothan campus and during the evening at the Fort Rucker branch campus.

BULLETINS, SCHEDULES, AND BROCHURES

Program brochures and the University Bulletin are now available for TSUD students. Students are to be encouraged to pick up these materials at the University, the Fort Rucker branch campus, and the Information Booth at Wiregrass Commons Mall. Due to postage expense, the University is discouraging the mailing of Bulletins. The use of program brochures will be used for recruiting and informational purposes.

The quarterly schedule of classes is mailed to all residential addresses in the cities of Dothan, Enterprise, Ozark, Daleville, and Fort Rucker. Request for mailing schedules outside of this service area are taken and mailed in bulk.

NOTICE: COMMENCEMENT CEREMONIES FOR 1992

Commencement ceremonies for 1992 will take place at the end of Spring Quarter and at the end of Fall Quarter. There will be no Summer Commencement ceremony in the future.

TSUD 1991 FALL QUARTER REGISTRATION

COMMITTEE UPDATE

Administrative Council

Dr. Thomas Harrison, Chairman

The Administrative Council met on August 9, 1991 at the Fort Rucker branch campus. Dr. Harrison made remarks concerning a proposal from Southeast Alabama Medical Center for a Nurse Anesthesia Concentration in the Master of Science degree in Foundations of Education. Dr. Lovrich is working with Alabama Aviation & Technical College on a two-plus-two arrangement. TSUD will be a site for the University of Alabama's Quest Program.

Items on the agenda included summary of conferences with the President, recent TSUD/State Department of Education meeting, 1991-92 University Calendar, and Adjunct Faculty Handbook. Update reports were given by all in attendance.

Mr. John Bush, Fort Rucker Education Specialist Officer, gave a presentation on educational services and programs at Fort Rucker.

Scholarship Committee

Dr. Jack Sublette, Chairman

The Scholarship Committee met on August 15 and approved the following scholarships: Graceba Communication Scholarship, Ruth Milner Scholarship, and the Robert M. Paul Scholarship.

Student Affairs and Development Staff meeting

Dr. Jack Sublette, Vice President

The professional and classified staff of the Division of Student Affairs and Development held their quarterly staff meeting on July 23. Topics for the summer quarter meeting were: division re-structuring, Fall Quarter Schedule of Classes, 1991-92 Bulletin, brochures, Summer Commencement, Administrative Retreat, records security, professional development, sick leave, budget, policy on taking classes, and changes in OWLS program.

Update reports were given by all in attendance. A pizza luncheon followed the meeting.

Student Recognition Committee

Ms. Helen Livingston, Chairman

The Student Recognition Committee met and decided to select the summer and fall Distinguished Students in October. The Distinguished Student Recognition Ceremony is scheduled for November 5. Mark your calendar.

FROM THE TSUD FAMILY

Dear Friends,

Thank you so much for the beautiful flowers you sent to the hospital. You all are truly a blessing to me and my family.

I am doing well and hope to see you soon.

All my love,
Olivia Calvin
